RESPONSE TO OFFICE ACTION

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Responsive to the Office Action dated March 7, 2001, Applicants respond as follows:

In the Claims

Cancel claims 1-25, 27, 32 and 45 without prejudice to future continuation, divisional or continuations-in-part applications. Claims 26, 28-31 and 33-44 are presently pending.

Please amend the following claims:

26. An expression cassette comprising a promoter operably linked to a nucleic acid molecule which, when transcribed in vivo forms a double stranded RNA that induces the production of interferon, and an RNA polymerase II promoter operably linked to a nucleic acid molecule that encodes an antigen from a pathogenic agent.

28. The expression cassette according to claim 26 wherein said antigen is a viral antigen.

30. The expression cassette according to claim 26 wherein said pathogenic agent is a bacteria, parasite or fungus.

(13 cont'd.)
